GUIDES TO TRANSFORMING POWER

1. Seek to resolve conflicts by **reaching common ground**.

2. **Reach for that something in others** that seeks to do good for self and others.

3. **Listen**. Everyone has made a journey. Try to understand where the other person is coming from before you make up your mind.

4. **Base your position on truth**. Since people tend to seek truth, no position based on falsehood can long prevail.

5. **Be ready to revise your position** if you discover it is not fair.

6. When you are clear about your position, **expect to experience great inward power to act** on it. A response that relies on this power will be courageous and without hostility.

7. Do not expect that this response will automatically ward off danger. If you cannot avoid risk, **risk being creative rather than violent**.

8. **Surprise and humor** may help transform.

9. Learn to **trust your inner sense** of when to act and when to withdraw.

10. Work towards new ways of overcoming injustice. **Be willing to suffer** suspicion, hostility, rejection, even persecution if necessary.

11. **Be patient and persistent** in the continuing search for justice.

12. **Help build “community”** based on honesty, respect and caring.

◊ Build your own self respect.

◊ Don’t rely on weapons, drugs or alcohol. They weaken you.
◊ When you have done wrong, admit it, make amends if you can, so that you can forgive yourself, then let it go.
◊ Don’t threaten or put down.
◊ Make friends who will support you. Support the best in them.
◊ Risk changing yourself.
